

COMMON SERVICE CENTER

I-NET CSC

பொதுச் சேவை மையம்

Who are we?

I-NET Secure Labs, an e-Services business organization having all Government and Private e-services on a single software platform called www.inetcsc.com

With I-NET CSC, e-Services Business Owner (e-BO) can deliver all e-services in a quick and efficient manner.

What we provide?

ONLY - One Software; One Brand; One Centre; One TB; One Payment; but Double Revenue

- **One Software** – Single platform inetcsc.com 100+ Govt and Private e-Services
- **One Brand** - I-NET CSC means e-Service centre, hence more visibility, Customer trust and loyalty
- **One Centre** – Only One I-NET CSC centre per area hence your future is secured
- **One TB** – Just one Trade Balance for all private & Government services
- **One Payment** - Just one click secure payment. No debit/credit card
- **Double Revenue** –For most of the services you deliver you receive internal commission

How we improve your business?

- Government Authorization for all G2C Services
- Easy to Use, Save service time, Increase more transactions per day
- We keep on adding new govt/private services, to increase your revenue
- Marketing, I-NET CSC Brand Promotion and Ad Support across the State to grow your business

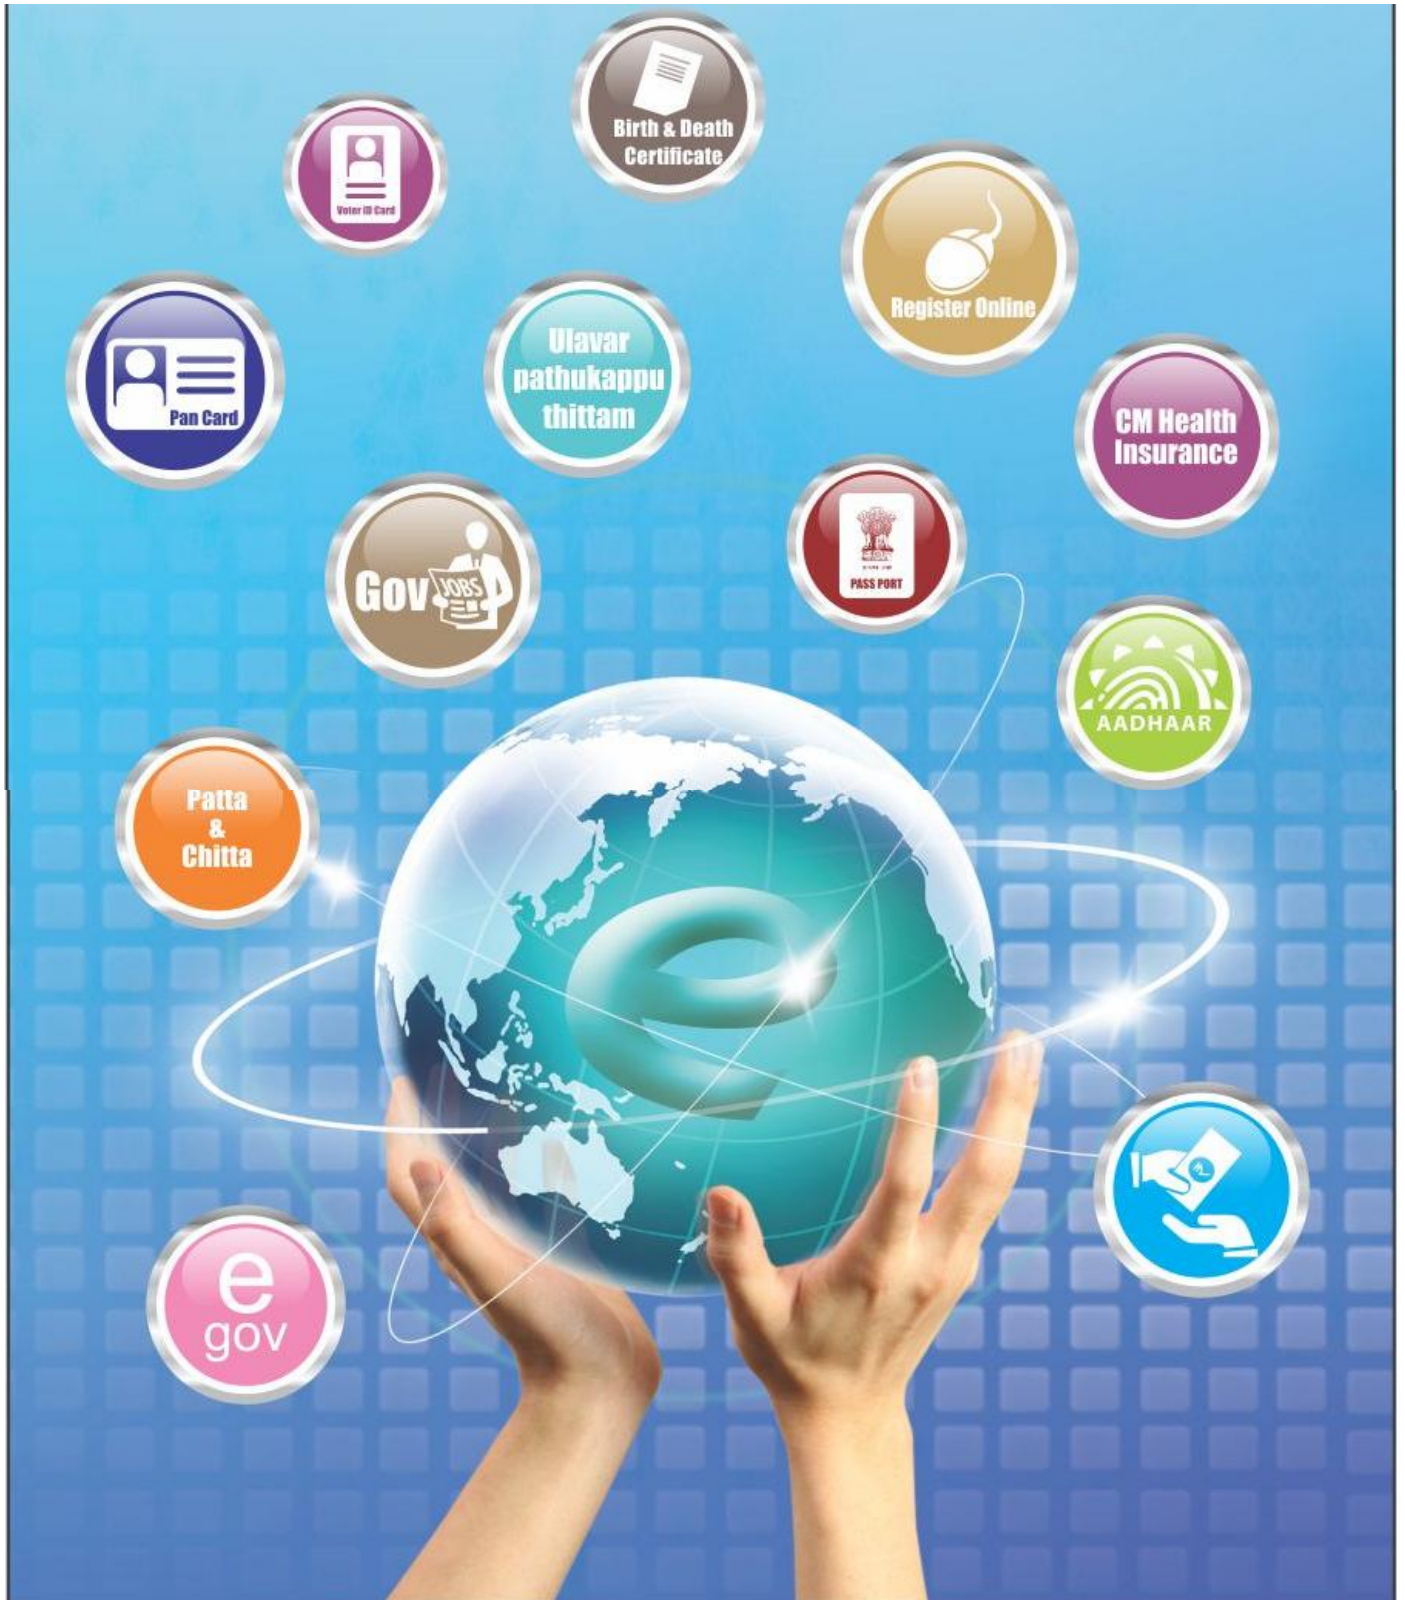

How we help you?

- Complete Business Tracking, Monitoring & Control, your employee cannot do any mistakes
- Complete Reports – Transactions based, service based, Commission Earned and so on.
- Customer Profiling – Save all your Customer details, transactions and automatically send SMS alerts to Customers on offers, renewals and new services.
- I-NET Call Centre Support for any technical/commercial queries
